

On Site Productions is proud to announce the karting event of the year. Last year the ground shook as karters from all over the Southeast stormed the Cabarrus Arena in Concord, North Carolina for the first Kart Show of its kind. This year "The Kart Show" will be even bigger than before.

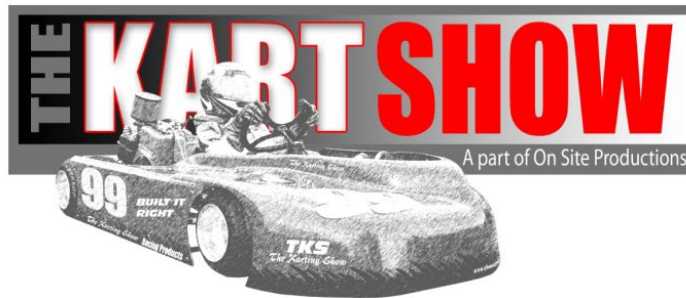

From the moment the gates open karters and fans alike will see the Industry's top kart manufactures presenting the newest and best innovations. Over 150 booths will be filled with the best toys in karting. In addition there will be door prizes, kart give way, seminars, live concert, and racing. As fans work their way thru the midway. They can stop by the U-Drive track and test their skills on a race kart.

The focus is to present the sport of karting to tomorrow's new drivers. This year we are proud to have several youth programs in place. Boy Scout, Girl Scout and Church Youth programs just to name a few. These youth groups are invited to attend the show free of charge giving youth from all over the chance to see first hand the excitement of karting. You and your youth program are invited to come out and enjoy "The Kart Show".

After the trade show come to a close each day. The top drivers in the country will be dueling under the lights. Eighteen classes will compete in 2 days of competition. Each class will qualify for the main events through heat races. The top 20 drivers from each class will do battle under the arena light in front of 5000 family and fans.

Pre-race show will start with a 1 hour Classic Rock Concert featuring Charlotte own Lawyers Road Band on Friday Night and Lanra Dodd, ICM's youth artist of the year on Saturday Night. As the music comes to a close up goes the wildest indoor fireworks show in the southeast. It all raps up with the running of our kart race main events.

If you are a kart fan, join us for the largest karting event of its kind. Or grab your helmet and strap in for the race of the year in the concrete castle for "The Kart Knights" on January 14 and 15 at the Cerberus Arena in Concord, North Carolina.

Kart manufactures from all over will bring their newest innovations to "The Kart Show" Over 150 booths will give karter and fans a chance to see what's new for the coming year. Along with the main trade show area there will be 50 additional booths in the Arena Atrium.

As you come through the main entrance you will walk straight into The Show Welcome Center. This will be a state of the art Media Information Center. Vendors as well as guests will pick up their show information packet as well as General Information.

We would like think those shops, manufacturer's, and companies committed to take part in "The Kart Show" and "Kart Knights" this year.

---	---	--

If you want to take part in the trade show portion of "The Kart Show" we would be glad to have you. We take pride in the fact that this show is open to everyone in karting. It's important that karting has a place that drivers, teams, manufactures and accoseations can all come together on equal ground.

Custom Awards for

The Kart show is karting own 3 ring circuit. From the races to the trade show and even the U-drive test track. The Kart Show is a chance for new fans to see what our sports is all about. The chance to talk with manufactures, drivers and teams. Karter have always been a close family of motorsport fans. And now you can be apart of the program.

The Youth Program is simple. Invite youth groups to take part in the events and get a first hand look at the world of karting. This give families a chance to see, feel and hear all about our sport. Now karters range from age 6 to 60 and even older. Fans always enjoy their first kart race. But if you really want to get to the heart of a family bring a youth to the track to see the action. Send he or she home and they will tell the story of custom painted karts, fast action and the fun they had a the races.

That why we invite you to bring your youth group to "The Kart Show" and "Kart Knight" and let them see the action of karting for themselves. It's free of chance to your youth. Just give us a call and let is plain for your group to take part in the Biggest and wildest karting event of the year.

Each youth group will receive the VIP treatment from the second you enter the show. Door prizes, test rides, group devotional, firework show, concert and kart races. And it's all free for your youth group. So call Brandon and he will take it from there. Your group will be given a VIP packet when you get to the show. We even have a devotional planned for all the youth group to get together just before the races begin.

If you are part of a youth program or help with one please call us for more details and info on how to take part in "The Kart Show".

Don't miss out on all the fun...

OUR BAND
Great Music and Some Good Times

When we are not at a gig for a customer or friend. We send our time playing. We started The Lawyers Road Band for that reason. We all love to play. Every Friday and Saturday you'll find us crammed into a small practice room. Song after Song we play into the night.

On-Site Productions would like to invite you to be a part of this great event. As a sponsor of this event we thank that your company would be a fun addition to this year's lineup. The Kart Show will bring a large fan base to your company and could prove to be a new sports avenue as well. The karting industry is the largest motorsports group in the world. The Kart show and Kart Knights will bring manufactures, karters and their fans from 25 states. If you are a karter, it's the place to be. If you are looking for a new place to drive your product. This show will give you that chance.

This year we have added a new youth program to the show. Youth have always been a driving force in karting. Not just the youth drivers, but family team. This year we hope to have over 25 youth groups attending the events thru the Youth Program. This program invites youth groups from boy scouts, girl scouts, churches, and schools to attend free of charge.

As a sponsor you would be added to all information that is sent to fans, sponsors and race teams. You would also be added to all info on our web-site at thekartshow.com.

There are many opportunities at the event for your company to present itself to the karting world. As a sponsor we invite your company to handout literature and door prizes thru your mascots and personal. Thanks for your time. Please feel free to call me for any questions you may have.

OUR BACKGROUND

On-Site Productions is built with three generations of the Redman's. As a family owned business, we understand the value of working close to our customers. Understanding your vision and helping you to reach the sound, look and feel that you, the customer, wants. Our staff is ready to take on your next event. We have the experience and talent needed to provide you with the best most cost effective Sound, Video, Lighting and Pyrotechnics.

On-Site Productions has the background and talent your event deserves.

Junior Motorsports is owned and produced by Lineberger Productions apart of Victory Film Production Inc. Victory was formed in 1961 and is located in Mint Hill just outside of Charlotte, North Carolina. Bill Lineberger and Bill Jr have been shooting and producing sport show for 50 years. Weather its Nascar racing in Daytona Beach Florida, Monster Trucks in the Hoosier Doom or The Briggs and Station 300 at Charlotte Motor Speedway.

The Lineberger Crew has been in the winner cycle for many years.

Our families have been in the entertainment business for many years. We have joined together to put the best karting event fans and new comers have ever seen. Our backgrounds and talents have been a great partnership.
